Farm Bash

Better Together

The Ballard PTA serves as the foundation of our remarkable school, working hand in hand with the steadfast support of staff, parents and community members. Their efforts make it possible to sustain and expand the robust programs that define Ballard School's commitment to educational excellence. The essential resources raised by the PTA support enriched programs for the students, including art, music, gardening, and physical education as well as the dedicated staffing required to bring these programs to life. Additional dollars raised support access to computer technology and educational excursions that enrich every student's learning experience. Without their dedication and the generosity of our community, these programs and opportunities would not be possible!

Farm Bash 2025

-Benefiting Ballard School-
